GRADING AND REPORTING

GRADES

Assessment and reporting of students' classroom performance is assigned to the classroom teacher. Grades will be based on factors including, but not limited to:

- Participation in classroom discussions, and oral performance;
- Quality of written work handed in, such as essays, answers to questions and reports;
- Quality of projects completed, such as scientific exhibits, and creative work;
- Physical performance and skills exhibited, such as laboratory and P.E.;
- Performance on tests and examinations; and
- Students will receive at least one formative or summative grade per week in each class, according to school policy.

GRADING SCALE

90-100	A	Indicates superior proficiency and achievement – a college recommending grade.	4 grade points
80-89	B	Indicates above average proficiency and achievement – a college recommending grade.	3 grade points
70-79	C	Indicates fair proficiency and achievement – <u>NOT</u> a college-recommending grade.	2 grade points
60-69	D	Indicates minimum proficiency and achievement – credit given.	1 grade point
59 or below	F	Unacceptable work – no credit given.	NO grade point
	I	Incomplete. Must be cleared within 2 weeks; is considered an "F" until the teacher has cleared the incomplete grade.	NO grade points

Note: Students who take honors, Advanced Placement and Dual-enrolled courses have the opportunity to earn weighted grade points for these courses.

REPORT CARDS

Students will receive report cards 4 times per year at the end of each 9 week grading period. Report cards will be sent home with the students. Please check the academic calendar for dates that report cards will be distributed.

Students or parents who have a question regarding a report card grade should first attempt to resolve the problem with the teacher concerned. The request for a grade review must be made in writing within two weeks of the report card being issued. If the dispute is not resolved, the teacher and/or student/parent may appeal to the Principal who will make the final decision.

PROGRESS REPORTS

Parents can check the progress of their student at any time using Parent Portal. No paper progress reports will be distributed.

(HIGH SCHOOL) Parents will receive an electronic progress report each week from APEX that indicates their child's current academic performance. Also, parents may log into their child's APEX account at any time to monitor their child's work.

HONOR ROLL

Students who earn all A's on his/her semester report card will be recognized as an A Honor Roll student. If a student receives all A's and B's, she/he will be named on the A/B Honor Roll. Honor Roll students will be presented a certificate in recognition of this achievement. A grade of C, D, or F, in any class, will make the student ineligible for this award.

ACADEMIC SUPPORT – After School Program

Academic Support classes are available after school. Attendance is voluntary for students who would like to come for additional assistance in their academic classes. Some students who are in danger of failure may be required to attend these sessions.

PARENT/TEACHER CONFERENCES

Palm Bay Prep teachers will communicate regularly with parents through email regarding their child's academic performance and/or behavior. However, should the need arise, teachers will schedule parent-teacher conferences. Parents are also encouraged to schedule a parent-teacher-student conference whenever they wish to discuss academic concerns with their child's teachers. If conferences are desired, parents should call the school to schedule the conference.

ACADEMIC COURSES

While Palm Bay Prep is equipped to offer any level of courses that our students may need, it is our intent to prepare our students for college and the professional world of work. Therefore, we hold our students to high expectations in their academic courses. All students will participate in core subjects required for graduation. In addition to learning content, our students are expected to learn skills related to responsibility, prioritizing, decision-making, and critical thinking.

ASSESSMENTS

In addition to routine classroom quizzes and tests, high school students are required to take a comprehensive semester exam in each course. No student may take an early or delayed semester exam except for reasons of proven illness or family emergency.

Students are also required to take the Florida Standards Assessment (FSA) each spring as follows:

- 6th grade – ELA, ELA Writing, and Math
- 7th grade – ELA, ELA Writing, Math, and Civics EOC
- 8th grade – ELA, ELA Writing, Math, and Science
- 9th - 11th grade – ELA, ELA Writing, Algebra 1 EOC, Geometry EOC, Algebra 2 EOC, Biology EOC, and U.S. History EOC (students take End of Course Exams in the year they take the specific course).

Students must meet minimum score requirements on the 10th grade Florida Assessment in ELA and pass the Algebra 1 EOC test in order to earn a diploma.

Tenth grade students have the opportunity to take the PSAT, a "practice" test for the SAT and the College Placement Test, which is required to participate in dual-enrolled classes.

HOMEWORK

Due to our individualized instructional model where students may work at their own pace to accomplish segments of the curriculum in each course, it may be easy to become confused about the role of homework. Palm Bay Prep students may falsely believe that because a teacher has not specifically assigned work to be done for homework that he or she has no homework. However, it is critical for students to work at home on their on-going assignments in order to complete them in the given time period. It is particularly important for students who are assigned an internship to complete coursework at home so that they do not fall behind when they attend their internship.

It is our belief that good study habits and consistent completion of homework are necessary for success in college. Absence from school or enrollment in an internship does not excuse students from completing or turning in assignments when they are due. Therefore, it is expected that students will need to complete work at home. Honors level and Dual-enrollment courses will require even more time to be spent at home on course studies.

INTERNSHIP PROGRAM (HIGH SCHOOL)

Internships are available for students both on and off campus. Any student participating in an internship must follow all rules and procedures related to the Internship Program and must present themselves as a good representative of Palm Bay Prep Academy. The school reserves the right to remove a student from his/her internship placement for failure to follow the rules and procedures of the Internship Program. Each student and parent will be provided with a copy of the specific Internship Policies and Procedures before a student is assigned to an internship.

The Executive Internship Program is an integral part of Palm Bay Prep's educational model. Students earn grades in the Internship Program and earn elective credit toward graduation. Students participating in the Palm Bay Prep's Executive Internship Program are our ambassadors in the community. Proper attire, behavior, and attitude are expected at all times.

ATTENDANCE

Introduction

Parents are asked to partner with Palm Bay Prep Schools by making sure that students are in attendance at school as much as possible. There is a very clear and direct correlation between student achievement and student attendance.

Students must be in attendance **160** out of **176** days in each class or they may fail the course. Students who miss more than **15** minutes of any class may be counted absent in that class unless the student is checked out due to a verifiable illness or a doctor/dentist appointment.

Although the school does not support students missing school for vacation or other non-emergency related purposes, any student missing school for these reasons must notify the administration. Notification must be made in writing at least two weeks in advance so teachers can have the appropriate work ready for each student. Students with a 2.0 or lower GPA in core subjects are encouraged not to miss school.

Family Leave

If students plan to miss school due to a family vacation, the parent or guardian must provide a request **two weeks in advance**, in writing, to the principal requesting **Family Leave**.

Non-emergency Family Leave will not be granted during exam weeks. Parents must demonstrate that the leave cannot be taken during school breaks. Students must make up their work either before they leave or within 5 days of their return to receive credit. If your child is performing poorly in a class, the administration strongly suggests you **NOT** take leave. The principal has the authority NOT to approve leave requests. Denial of family leave will be considered an unexcused absence. No family leave may last more than five days, and the total family leave days each year may not exceed five days.

Medical/Dental Appointments

Appointments should be made outside of school time whenever possible. Tardiness and absence impede scholastic progress. When such appointments are impossible to obtain outside of school time, an excused absence is granted for medical and dental appointments **only** when official verification is received from the doctor or dentist and submitted by a parent in writing.

Make Up Work – Excused Absences: Students are expected to make up all work missed during excused absences. The student must contact the teacher on the first day back in school in order to make arrangements to make up the work **within five (5) school days**. The teacher and/or the principal may grant additional time for making up work if warranted by the individual situation. **All**

assignments including tests and exams announced in advance of the student's absence must be made up on the day the student returns to school. Teachers have the prerogative to require a student on school or administrative leave to complete work assigned in advance of the leave.

Make Up Work – Unexcused Absences: Students are responsible for making up all work missed, including tests and exams, during an unexcused absence. All work must be completed and returned to the classroom teacher upon the student's return to school.

If the unexcused absence is due to a suspension of one to three (1–3) days, the student must contact the teacher upon the student's return to class to make arrangements to make up within five (5) school days work missed. Parents/guardians of students suspended for more than three (3) days are responsible for contacting the school by the end of the third day of suspension and obtaining the missed work assignments.

Driver's License/Attendance Requirements (HIGH SCHOOL)

Students who are habitually absent may lose their driver's license privileges.

The Florida Legislature requires schools to report to the Department of Highway Safety and Motor Vehicles the names, dates of birth, sex, and social security number of minors who accumulate **fifteen (15)** unexcused absences in a period of **ninety (90)** calendar days, thus making the student ineligible for driving privileges. The legislation further provides that those minors who fail to satisfy attendance requirements shall be ineligible for driving privileges. If the minor does not have a license, he or she shall not be issued one upon application. Students aged fourteen until their eighteenth birthday cannot get or keep their driver's privilege or license unless they are in school, have successfully completed school, earned their GED certificate, or have a hardship waiver. A student who has had their license suspended due to unexcused absences can apply for reinstatement once they have attended school for 30 consecutive days without an unexcused absence and have completed the necessary paperwork available in the office. Reinstatement is delayed a day for each excused absence during that 30 day period.

Minimum Attendance

A student may be in jeopardy of being retained if he/she fails to attend school for at least **160** days in a school year.

Students with habitual attendance problems may be dismissed from Palm Bay Prep Academy.

Absences

When a student returns to school after an absence, **a note should be brought from home. DOCUMENTATION FOR EXCUSED ABSENCES MUST BE FILED WITH THE MAIN OFFICE WITHIN THREE (3) DAYS OF THE ABSENCE OR THE ABSENCE IS UNEXCUSED.** If a student is going to be absent, please call the school office before 7:30 a.m. By the next school day, it is the responsibility of the parents or legal guardian to identify for the school the reason for each absence that has not been preapproved. Identified reasons will be evaluated based on the policy below regarding excused or unexcused absences. The final decision for approval will rest with the school principal. Failure by the school to successfully notify the parents will NOT negate the attendance policy.

Acceptable excuses for students' absences are illness (physician's note required after 5 days), a death in the family, a dental or doctor appointment (statement from doctor's office required), court appearance, a school-sponsored event or activity that has been previously approved or religious holiday. Students may be released from school in order to participate in a religious observance upon written request of his/her parent or legal guardian.

Unexcused absences are those absences that are not justified according to the rules of this policy by the parent or legal guardian. In addition, truancy, out of school suspension, expulsion and/or skipping are considered unexcused absences.

If a student needs to leave school before the end of the school day, the parent or guardian must come to the school office and sign him/her out. A school employee will send for the student. Students will not be dismissed from the classroom, only the front office.

Skipping class is defined by one or more of the following criteria:

1. Failure to check out when leaving school before the end of the official school day.
2. Absent from class without parents or legal guardians knowledge and/or permission.
3. Absent from class without teacher knowledge and/or permission.

Tardies

Students are expected to be in their classrooms at **8:15**. After **8:15**, the student will be considered tardy. School time is the official time. If the student arrives late to school, the parent **MUST** bring the student to the office. The student will be signed into the computer by the office staff and given a tardy slip. Then he/she can go to class. Excessively tardy students may be subject to dismissal. **Please be responsible – please be on time.**

Palm Bay Prep does not use traditional bells. Therefore, students are expected to be aware of the time and maintain responsibility for making sure they get to class on time.

Students will be assigned After School Detention for 5 tardy violations in a 9-week period. Five tardies in one class will equal 1 unexcused absence. 10 violations in a 9-week period will require a meeting with administration.

Closed Campus

Palm Bay Prep is a closed campus. After arrival at school, students must not leave campus at any time without checking out in the Main Office with their parent or guardian's permission. Students who leave campus without explicit permission are considered to be skipping and will subject to disciplinary action.

Forging Notes / Calls

Forging telephone calls, falsifying, altering or illegal possession of school forms, or the use of forged notes or excuses will be cause for immediate disciplinary action, up to and including dismissal from Palm Bay Prep.

DISCIPLINE POLICIES AND PROCEDURES

While is it our desire to provide a fun and exciting environment for our students to grow and learn, it is imperative that students behave in an appropriate manner. Therefore, any violation of the policies and procedures established by Palm Bay Prep Academy will result in disciplinary action. It is our desire that any required disciplinary action will result in improved behavior and learning on the part of the student. Parents will always be informed of any concerns related to a student's behavior.

Each teacher will establish appropriate procedures for discipline in his/her classroom based on these guidelines. The following list is not all-inclusive.

Palm Bay Prep's General Disciplinary Procedures:

1. First Offense: Verbal Warning/Phone Call to Parent
 2. Second Offense: Detention / Phone Call to Parent

1. Students are expected to respect the authority of teachers and all staff. All teachers have authority over all students, not just those assigned to their class. Additionally, students are expected to work during class time and follow teacher direction.
 2. Malicious destruction of school property results in the replacement, repair or payment for damages by either the student or his/her parents. The placement of stickers or writing on school property is forbidden. Computer equipment is considered school property.
 3. Students shall help keep the school clean at all times. **No food, drinks, or chewing gum are allowed in any of the classrooms. The designated areas to eat and drink are the cafeteria during the lunch period and outside.**

 5. No notebooks, magazines, lunchboxes, etc. will be permitted that carry pictures or slogans referring to the drug culture or alcohol. No profane, abusive or slang language is to be used.
 6. Zero tolerance for aggression.

The Bay District School Board passed a Code of Student Conduct Matrix that lists violations and disciplinary actions that must be taken in order to deal with misconduct. The Code of Student Conduct Matrix will be available electronically during the first week of school. Palm Bay Prep will comply with the school district's Code of Conduct, but retains the right to elevate standards and expectations for behavior. (Please see "Right of Student Dismissal")

RIGHT OF STUDENT DISMISSAL

FS 228.056 10(a) 7 identifies the charter school's authority to develop and implement admission procedures and dismissal procedures. The charter contract between Bay District Schools and Palm Bay Prep affords the charter school the right of dismissal. Families and students who fail to meet the Palm Bay Prep established policies for continued enrollment include the following:

- Wearing the school-approved uniform as designated by time, location, and manner as per Palm Bay Prep policy.
- Attendance requirements as per FS 1001.41 requiring a minimum of **160** days of attendance.
- Behavior as per Palm Bay Prep policy.

Violations in the areas of attendance, behavior and/or uniform dress code will be documented and a conference will be held with parents and student prior to dismissal. Parents will be notified in writing of the final declaration of dismissal.

DETENTION

Students who have excessive tardies or who have committed minor infractions will be assigned to detention. Detention is held during lunch and/or after school. Failure to attend an assigned detention will result in additional days of detention being assigned or suspension.

During a detention period, students are not to talk, sleep, eat or drink. Students in detention are not allowed to use computers or other electronic devices.

SUSPENSION

Students may be suspended from school for offenses that include but are not limited to the following:

1. Fighting or other dangerous and/or disruptive behavior.
2. Smoking on school grounds or possession of tobacco products.
3. Being under the influence or possession of alcoholic beverages or intoxicants of any kind on school grounds.
4. Defacing or vandalism of school property.
5. Igniting any flammable substance or possession of products such as lighters.
6. Theft.
7. Harassment/Bullying of students, faculty, staff, parents, substitutes or visitors.

***The Bay District Discipline Matrix for Middle School and High School will be used as a guide. The discipline policy of Palm Bay Prep does NOT include or administer corporal punishment.**

Suspension Notice to Parents/Guardians

At the time of suspension, the Principal or designee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension and the date of return following suspension. This notice shall state the specific offense committed by the student. In addition, the notice may also state the date and time when the student may return to school. If school officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

Length of Suspension

Suspensions may be assigned from one day to ten days, depending on the severity of the student's actions.

EXPULSION

The Principal may recommend to the County School Board to expel a student for any of the following, including those items listed in Bay District Schools Policy 7.201.

These include, but are not limited to:

1. Possession, use of or transmission of a weapon including, but not limited to a gun, knife, razor, explosive, ice pick or club.
2. Possession, use of, or transmission of a substance capable of modifying mood or behavior.
3. Using any article as a weapon or in a manner calculated to threaten any person.

Prior to expulsion, the student has the right to a fair hearing as outlined by the Code of Conduct.

UNIFORM POLICY

On-Campus Dress Code Requirements:

Shirts: Uniform shirts are polo style in teal, white, grey or black with the school emblem. As these are the official shirts allowed to be worn in school, these options are intended to allow our students some flexibility and variety. Parents or students may not purchase an article of clothing and have it embroidered or screened with the Palm Bay Prep logo as this would represent a copyright infringement. The polos are available for purchase at Zoghby's located in Lynn Haven, FL.

Palm Bay Prep Dress Code Intent:

Palm Bay Prep staff intends and expects to maintain an environment that is fun, interesting, and engaging with a focus on education and learning – not on what we wear. We expect our young adults to help us ensure the above policies and privileges are maintained and enjoyed. However, students should be aware of the following:

On ALL MATTERS where judgment is required, the determination on any and all issues of appearance will be at the sole discretion of Palm Bay Prep staff.

ALL of the Palm Bay Prep Dress Code policies will be reviewed on a regular basis and may be changed at any time at the sole discretion of Palm Bay Prep staff.

DAILY SCHEDULE

See separate document.

ARRIVAL

Classes begin at 8:15 a.m. Students are expected to be in their class no later than **8:10 a.m.** Regular school attendance has a direct correlation with academic achievement. **It is important that students report to school on time.** Students arriving before 8:00 a.m. are expected to report directly to the cafeteria. Students may not be on campus earlier than 7:00 a.m.

DISMISSAL/PICK-UP

Students should be picked up in a timely manner after school. **Students should be picked up by 3:45 p.m. unless they are staying after school for a scheduled and supervised after-school activity or the after school program.**

Pick-up plans should be finalized before the student comes to school. However, should an emergency arise and the parent must call to leave a message for a student regarding pick up, the parent must do so before 1:30 p.m. If a parent calls after this time we cannot guarantee that the student will receive the message.

Before releasing a student from school during school hours, the Principal or his/her designee shall establish the identity and authority of any individual who seeks the release of a student from school. A student shall be released only to the parents, legal guardians, or other person authorized by the parents or legal guardians on the student's Emergency Information Form. Should a person other than one authorized by the parents or legal guardians request the release of a student, the Principal or his/her designee shall first obtain verbal consent of the parents or legal guardians before releasing the student. In the event that a dispute arises between parents regarding who is authorized to pick up a student from school, the student shall be released only to the parents or legal guardians registering the student for school. Parents or legal guardians shall fill out and return to the school a new Emergency Information Form at the beginning of each school year. At the discretion of the Principal, the guardians may be asked to physically sign the student out. Parents/legal guardians or other persons authorized by the parents/legal guardians to pick up a child must have a picture ID to prove they have authority to remove the student from campus. For additional security when the parent or guardian checks out a student, the RAPTOR System will be used to streamline the process.

To avoid having the school become involved in personal family conflicts, parents or guardians should submit to school administration copies of any legal documents that indicate who has legal access to the child and his/her records during school hours. In the absence of legal documentation, school officials will provide access only to those individuals whose names appear on the student data card. Friends and strangers will be denied access to a student in the absence of verified parental consent. Even if we know you are a parent, but you do not have court specified rights to pick a child up at a time different from that specified, we will need to secure permission prior to release.

BULLYING

It is the policy of Palm Bay Prep Academy that all students and school employees have an educational setting that is safe, secure, and free from harassment and bullying of any kind. The school will not tolerate bullying or harassment of any type. Conduct that constitutes bullying or harassment is prohibited. All allegations of bullying will be thoroughly investigated. Students found to be bullying another student will be subject to disciplinary action and/or dismissal.

CHILD ABUSE REPORTING REQUIREMENTS

State law and Palm Bay Prep policy require all persons responsible for the welfare of children to report any **SUSPECTED INSTANCES OF CHILD ABUSE OR NEGLECT.** Any teacher or staff

member who notices physical neglect or bodily harm or who has reasonable suspicion of emotional or sexual abuse will be required to make an official report to the appropriate legal agency.

CONFISCATED ITEMS

Initial infractions allow students to claim items at the end of the school day. When an item is confiscated from a student, reasonable attempts will be made to contact the parent to inform the parent of the confiscation. Parents or guardians will be required to come to school to retrieve the item from a school official. Palm Bay Prep is not responsible for loss, theft, or damage of confiscated items.

CONTACT INFORMATION

It is critical that parent contact information is kept up-to-date in the school records. Please ensure that your mailing address, phone numbers, and email address is current with the school. Palm Bay Prep communicates primarily with parents through e-mail so it is of utmost importance that we have your correct e-mail address. Also, be sure that the student's Emergency Contact form is accurate and up-to-date as it is our means of contacting parents in the event of an emergency.

Palm Bay Prep sends out newsletters and updates to parents via e-mail. These e-mails contain important information related to school activities and events.

COMMUNICATION

The school promotes a system of ongoing interactivity between families and the school with the primary source of electronic mail. Parents will be provided with results of any and all assessments including, but not limited to, standardized pre and post-test indicators, Florida Standards Assessment/FCAT results, and teacher developed assessments. This combination of achievement data will provide parents sufficient information to make a clear determination of their student's rate of academic progress

In addition, parents will be notified in writing immediately if a student's teacher believes any areas of academic weakness exist. A parent/teacher conference will be scheduled at any time the school or parent has a concern about the student's academic standing or behavior. It is extremely important that any change of address, telephone numbers, or other vital communications information or pick-up authority **must** be completed by the legal parent/guardian **in person** in the front office. **BY STATE LAW, two new proofs of address must be provided for changes of address.**

FOOD AND DRINK

Food, drinks, and gum are NOT allowed in the classrooms due to the potential damage to school technology.

ELECTRONIC DEVICES

During classroom instruction and designated project teamwork time, students may not use electronic devices brought from home without explicit permission from the staff member in charge. Cellular telephones or other electronics shall not be on during classroom/academic learning times. These items shall be subject to confiscation and shall not be returned to the student, but only to the legal parent or guardian upon coming to the school site and signing a return of property form. A second offense will be subject to In School Suspension (ISS) or Out of School Suspension (OSS). The student's signature and the parent/guardian's signatures are required on the Bring Your Own Device (BYOD) contract. The school shall not be responsible for any damage, theft or loss of any electronic device brought on the school property or at any school related function. The school shall not engage in any investigation for the return of lost or stolen items.

EMERGENCIES

Illness: The importance of regular attendance cannot be over-emphasized, but **students should not be sent to school when they are ill**. If a student becomes ill during the school day and it appears they would be best cared for at home, the parent will be contacted. There are very limited facilities in the school, making it impossible to keep sick students for long periods of time. School personnel must be notified of any student's chronic illness (i.e. asthma, diabetes, heart conditions or seizures). This heightens awareness in case of an emergency.

Injury: The procedures listed below will be followed for an injured student:

1. Teachers will send the student to the office if the injury is minor.
2. Teachers will notify the office if the student is unable to be moved.
3. Trained personnel will administer first aid.
4. The parent(s) will be called and the injury described. For a minor injury the parent will make the decision about removing the student from the school. Emergency contact persons will be called if the parent cannot be reached.
5. The Emergency Rescue Squad will be called for critical injuries that require the type of care that school personnel cannot provide and the parent or emergency contact will be notified.
6. An accident report will be completed and filed for most accidents.

EXTRACURRICULAR ACTIVITIES

Clubs

Palm Bay Prep offers several clubs to meet individual student interests. Clubs meet before or after school and at lunch as scheduled by the club sponsor. A list of clubs and after school activities will be provided at the beginning of each school year.

Dances and Social Events

Palm Bay Prep sponsors several dances and/or other social events throughout the school year. All school rules and policies apply to all school-sponsored events whether the event is held on-campus or off-campus. The following rules apply to student participation in dances:

1. Students must arrive no later than 30 minutes after the scheduled start of a dance. Students will not be admitted after that time.
2. Students may not leave the dance earlier than 30 minutes prior to the scheduled end of the dance.
3. No student guests over age 18 (HIGH SCHOOL); age 14 (MIDDLE SCHOOL) are permitted at Palm Bay Prep social events without prior permission from the Principal.
4. Dancing at social events must not be inappropriate in nature. The administration of Palm Bay Prep will be the final determinant as to whether dancing is lewd or sexually explicit.
5. Alcohol, tobacco, and other items generally prohibited on campus are expressly forbidden at dances, even if a guest is over age 18.
6. Students may not go "in and out" of the dance. Once they have entered, they may not exit the facility.
7. Only music with "clean lyrics" shall be played.
8. Student attire at dances must not be provocative or inappropriate. The following guidelines will apply. No clothing deemed inappropriate by school administrators will be authorized.

Any student who violates these parameters or is deemed to be dressed inappropriately will be sent home immediately.

FAMILY RIGHTS AND PRIVACY ACT

The revised Family Rights and Privacy Act became a Federal law in November 1974. The intent of this law is to protect the accuracy and privacy of student educational records. Without your prior consent, only you and authorized individuals having legitimate educational interests will have access to your child's educational records. In special instances, you may waive this right of access to allow other agencies working with your child to have access to those records. An employee of PALM BAY PREP will be present during the viewing of all records. Copy costs will be assessed after the first 10 copies at a rate of \$.10 per copy.

FIELD TRIPS

As a learning experience, teachers may plan field trips. Parents may be asked to assist the teacher as chaperones. Parents serving in this capacity may not have other children accompany them. All chaperones will be required to have their driver's license scanned via the RAPTOR system. Participating in field trips is a privilege. Students serve as representatives of the school; therefore, they may be excluded from participation in any trip for reasons relating to behavior, conduct or grades. Participation will be determined by the grades from the most recently published report card or progress report. Any School Suspension can negate attending a field trip. Parent permission must be given for students to participate in field trips. The teacher will send permission slips and information about each field trip 2-4 weeks prior to each field trip. Money and permission slips must be turned in according to the teacher's instructions prior to the field trip or the student will not be permitted to take part in the field trip. **The students must wear the teacher-designated uniform shirt on all field trips unless advised otherwise by the teacher. THE SCHOOL UNIFORM POLICY DOES NOT CHANGE FOR FIELD TRIPS.**

Field Trip Authorization forms must be filled out completely and signed and returned by the preset deadline for each field trip. The Authorization for Medical Treatment form is required to be filled out completely and notarized for out of county field trips. This will be completed once at the beginning of each year.

Once fees are paid for a field trip the fees are non-refundable. Field trip costs are predetermined based upon a certain number of participants who will share the total expense. The only consideration for a refund would be based upon a verifiable death in the family or an injury to the student that precludes them from field trip participation. Most fees are pre-paid and thus non-refundable.

A field trip is the classroom regardless of location and the teacher is in charge. No siblings shall attend a field trip with a parent or parent chaperone. This is a classroom control and liability issue. Only the teacher in charge may send or receive telephone calls during field trips.

Students may not be checked out of any off-campus field trip without prior approval from the administration. This is not recommended due to teacher responsibility, instruction, confusion, and liability.

GRIEVANCE PROCEDURE

If a student or his/her parents feel they have a grievance or complaint, they should do the following:

1. Carefully analyze the problem – be sure you have ALL the FACTS.
2. Ascertain that you have a rational attitude about the problem.
3. Seek to resolve the problem with the **teacher**, if applicable. Always start with the teacher.
4. If there is still no solution, schedule an appointment with administration.
5. Appeals to the administrative decisions may be made in writing to the Palm Bay Prep School Board.

Visits to teachers should be made by making an appointment with the teacher at a convenient before or after-school hour. **Parents are asked not to meet with a teacher before or after class unless a conference has been scheduled in advance.** Just as we expect our students to act respectfully toward each other, as adults we will model this characteristic by treating each other with respect.

LOST AND FOUND

Students should put their names on their personal belongings. Lost items will be turned into the front office and may be claimed in the front office. Items not claimed within a reasonable amount of time will be given to charity. Students should not leave personal items unattended. The school is not responsible for lost or stolen items.

LUNCH PROGRAM

Palm Bay Prep is a closed campus. No students may leave campus at lunch time. Students may bring a lunch or purchase a lunch at school. Please see separate lunch information document for details regarding school lunch options.

Lunch on Internship Days (HIGH SCHOOL): Students must bring a lunch on their scheduled internship day. Student interns may not leave the premises, so having a lunch from home is critical. Students who arrive at school on internship day without a lunch will need to call their parents to bring them a lunch.

MEDICATION

The administering or dispensing of any medicines (including non-prescription medication) to students by employees of Palm Bay Prep without specific written authorization by the parents and physician of the student is forbidden. If it is absolutely necessary that the child take any medication while he/she is in school, the parent must sign an authorization form and have the form completed by their physician. Please obtain this form in the school office. The medication will be kept in the office and will be administered by office personnel. A parent may also choose to come to school and administer medication.

PARENT ORGANIZATION

A parent organization is designed to support volunteerism and school functions. Details regarding the organization and meeting schedules will be provided at the beginning of each year.

SAFETY DRILLS

Palm Bay Prep conducts Fire, Tornado, and Lock Down drills regularly in accordance with state and local laws. Students are required to comply with teacher directives during such drills.

SAFETY PROCEDURES

If you visit the school, you **MUST** enter through the front door and sign in with the front desk/office staff. You **MUST** have your driver's license with you so that the front office staff can verify. A visitor's badge will be printed for you and you **MUST** wear the badge at all times while on campus. The visitor's badge will be printed via the RAPTOR system.

SEVERE WEATHER INFORMATION

Palm Bay Prep will follow the same emergency closing procedures as the local public school district in case of severe weather emergencies. Parents should watch the local news for information about school closings.

SEXUAL HARASSMENT

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and/or other inappropriate verbal, written or physical conduct of a sexual nature that takes place under any of the following circumstances:

- When submission to such conduct is made, explicitly or implicitly, a term or condition of employment, instruction or participation in other school activities;
- When submission to or rejection of such conduct by an individual is used by the offender as the basis for making personnel or academic decisions affecting the individual subjected to sexual advances; and/or
- When such conduct has the effect of unreasonably interfering with the individual's work and/or academic performance or creating an intimidating, hostile, or offensive work or learning environment.

It is against Palm Bay Prep policy and unlawful for Palm Bay Prep employees to commit acts of sexual harassment. Sexual harassment committed by students against students or staff is inappropriate behavior and violates Palm Bay Prep policies.

If you believe that you are the subject of sexual harassment or the focus of inappropriate behavior, you should report such incidents to your parents and school authorities. You can report the information verbally or in writing to the Principal, a counselor, a teacher or another staff person.

When reporting an incident, it is helpful to provide as much information as possible. Such information includes: (1) a description of the event or events, (2) the number of occurrences with dates and places, (3) the names of any witnesses, and (4) if appropriate, documents, papers and/or other exhibits.

Students may receive guidance, advice, support, and/or advocacy from school staff, including administrators, counselors, teachers or other staff.

STUDENT DRIVING AND PARKING

Palm Bay Prep is not responsible for students who choose to drive or ride in personal vehicles to school or from school. Palm Bay Prep expects that students will obey all vehicular laws and practice safety at all times. Palm Bay Prep is not responsible for damage or theft of vehicles while on school property. Palm Bay Prep is not responsible for students who choose to ride with other student drivers. Reckless or irresponsible driving will be reported to the police. Students may not have access to their vehicles during school hours. **Students who drive to campus will fill out a permission form and pay a \$10 annual fee.**

STUDENT GIFTS

Please **DO NOT send or bring gifts** such as balloons, flowers, etc., to students. Office space is very limited and we do not have the staff to deliver these. If you send these, they will be held in the front office for pick up at the end of the day.

STUDENTS' RIGHTS

Students have the right to feel safe from threats and bodily harm. Disruptive behaviors are never acceptable, and when they occur, they will result in disciplinary action, including but not limited to: exclusion from participation in class activities, suspension or recommended for expulsion.

Parents who have a conflict with a student other than their own child are requested to speak to Administration. At no time may parents approach the student directly.

All students and employees will be treated with respect. Slurs, innuendoes, hostile treatment, violence or other verbal or physical conduct against a student or employee will **NOT** be tolerated.

STUDENT SURVEYS

Palm Bay Prep shall cooperate with the federal government and state agencies such as the Florida Department of Health in conducting student surveys. These surveys shall be conducted anonymously and shall contain no personally identifiable information from or on any individual student. Parents shall be notified of upcoming surveys that reveal information concerning one or more of the following items:

- political affiliations or beliefs of the student or the student's parent,

No student shall be required to participate in such surveys if the student's parent objects in writing to the student's participation. Parents shall have the right to inspect any such survey instrument before the survey is administered or distributed if the request is made within a reasonable period of time. Parents shall be notified annually at the beginning of each school year of this policy and the notice shall include approximate dates during the school year when any such survey is administered.
